**(SE14/120) PROGRAMME – Australian Customs and Border Protection Service**

Senator Carr (Written) asked:

Please give details of the number of charges laid against individuals for failing to declare excess currency.

*Answer:*

The Australian Customs and Border Protection Service (ACBPS) refers its detections of undeclared excess currency to the Australian Federal Police (AFP).

Any subsequent investigations into these detections, which may lead to charges, are the responsibility of the AFP. Accordingly, ACBPS does not maintain these statistics.
