Question: 126

Division/Agency: Information Services Division

Topic: Unallocated Equipment

Proof Hansard page: Written

Senator LUDWIG asked:

1. Please detail how much electrical equipment, phones and computers the department/agency has in storage or unallocated to staff.
2. Please detail the purchase, storage and ongoing costs associated with equipment, phones and computers in storage or unallocated.

Answer:

1

- a. Electrical equipment in storage or unallocated: 1 microwave and 1 fridge
- b. Phones in storage or unallocated :
 - i. 735 unallocated desktop telephones – The Department of Agriculture is in the process of a VOIP telephone rollout.
 - ii. 12 unallocated iPhones.
- c. Computers in storage or unallocated:
 - i. 291 desktop computers - 120 new computers reserved for Window's 8 computer refresh project, 171 end-of-life models reserved for spare equipment pool.
 - ii. 100 Elite Pads – reserved for Window's 8 computer refresh project.
 - iii. 178 laptops – end of life equipment reserved for spares equipment pool.

2

- a. Purchase Costs

Electrical Equipment in storage or unallocated:

- i. 1 Microwave @ \$148.00
- ii. 1 Fridge @ \$259.00

Question: 126 (continued)

Phones in storage or unallocated:

- i. 735 Desktop telephones @ \$421.00 – total = \$309 435.00.
- ii. 12 iPhone 5 mobiles @ \$999.00 – total = \$11 988.00.

Computers in storage or unallocated:

- i. 291 Desktop workstations :

7. Please detail how many electrical equipment, phones and computers the department/agency has in storage or unallocated to staff.
8. Please detail the purchase, storage and ongoing costs associated with equipment phones and computers in storage or unallocated.
9. Why has the Parliamentary Secretary (Senator Richard Colbeck) been allocated two laptops?
 - i. Why does the Parliamentary Secretary need two?
 - ii. Who requested the laptops?
 - iii. How many other staff in the department have two laptops?
 - iv. What are the costs of two laptops?
 - v. What were the laptop models?
 - vi. Where are the laptops at present time?

Question: 128 (continued)

Answers:

1. The department had 419 mobiles classified as 'unallocated' as they were not issued to staff registered in the department HR/Payroll system. The total comprises unallocated equipment: in shared 'equipment pool' arrangements; issued to the minister's office; issued to contractors engaged by the department; and all mobiles in spares pool or those awaiting disposal at the end of their life. The department currently has no unissued devices in storage.
2. The department had 74 iPhones classified as 'unallocated' as they were spares awaiting configuration and issue. These have since been distributed to staff as part of a project to decommission all Blackberry devices.
3. The department had 61 iPads classified as 'unallocated' as they were not issued to staff registered in the department HR/Payroll system. The total comprises unallocated equipment: in shared 'equipment pool' arrangements; issued to the minister's office; issued to contractors engaged by the department; and all mobiles in spares pool or those awaiting disposal at the end of their life. The department currently has no unissued devices in storage.
4. The department had 234 data cards classified as 'unallocated' as they were not issued to staff registered in the department HR/Payroll system. The total comprises unallocated equipment: in shared 'equipment pool' arrangements; issued to the minister's office; issued to contractors engaged by the department; and all mobiles in spares pool or those awaiting disposal at the end of their life. The department currently has no unissued devices in storage.
5. The department had 187 laptops classified as 'unallocated' as they were not issued to staff registered in the department HR/Payroll system. The total comprises unallocated equipment: in shared 'equipment pool' arrangements; issued to the minister's office; issued to contractors engaged by the department; and all mobiles in spares pool or those awaiting disposal at the end of their life.
6. All equipment is now owned by the department. No ongoing costs are applicable.
7. Please refer to Question on Notice 126 – Unallocated Equipment from Budget Estimates.
8. Please refer to Question on Notice 126 – Unallocated Equipment from Budget Estimates.
9. The Parliamentary Secretary has been allocated a computer in each of his office locations.
 - i. Laptop computers were allocated in lieu of desktop computers as this was the most cost effective approach at the time of fit out. Equipment was drawn from the same equipment issued to the previous Parliament Secretary. This is consistent with the arrangements for the previous Parliamentary Secretary.
 - ii. Computers were allocated to the Parliamentary Secretary as part of the initial office setup. No specific request to provision laptops for the Parliamentary Secretary was received. The equipment previously on issue to the former Parliamentary Secretary was re-issued.

Question: 128 (continued)

- iii. 36 staff have more than one laptop assigned to them.
- iv. All equipment is now owned by the department. No ongoing costs are applicable.
- v. HP Elitebook 8460p and HP Elitebook 2570p.
- vi. Location 1: Parliamentary Secretary's Office, Australian Parliament House, ACT.
Location 2: Parliamentary Secretary's Office, Devonport, Tasmania.
