**Hansard Page:** Written

**Senator Scullion** asked:

Has the NLC asked any external body or third party to investigate inappropriate use of an NLC credit card or expense account?

**Answer:**

As explained in relation to question 340, Deloitte has been engaged to conduct a broad ranging governance review which has not been completed. No other external entity has been engaged to review or investigate in relation to the NLC.

In that circumstance, it is not presently appropriate to identify any specific concerns or matters which may be considered by the review.
