Topic: Indigenous Business Australia (IBA) – Home Ownership

Hansard Page: Written

Senator Payne asked:

How many permanent staff are on the HOP program, and how many extra did you provide for this forward-staffing?

Answer:

Indigenous Business Australia (IBA) has 67 permanent staff employed in the Indigenous Home Ownership program, five more than in 2011-12. Forward Estimates allow for 72 staff in 2013-14 and in 2014-15.

All IBA Indigenous Home Ownership program staff have the necessary training and experience in both established markets and emerging markets to assist customers and process loan and funding applications.
