Senator Fierravanti-Wells asked:

Can you provide an update to the attachments that were provided to the Committee at the Supplementary Estimates hearing on 21 October 2011 entitled "Australian Government Indigenous Expenditure - Indigenous specific component of mainstream programs 2010-2011" and "Australian Government Indigenous Expenditure - Indigenous specific programs 2010-2011".

Answer:

FaHCSIA has updated the information, and copies of the new versions are attached for information. This response has required coordination across a significant number of Commonwealth departments and portfolio bodies with responsibility for administration of mainstream programs with Indigenous specific components and/or Indigenous specific programs.
