Parliament House  
Canberra ACT 2600

25 November 2009

**Correction of error of fact on Hansard**

Dear Senator McEwen

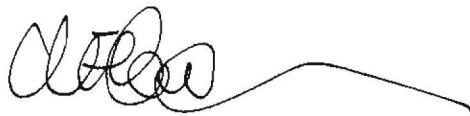

On 19 October 2009, I appeared as a witness before the Environment, Communications and the Arts Legislation Committee for the Budget Estimates Hearing.

During the hearing, Senator Birmingham asked a question concerning the number projects for which Screen Australia had announced funding, which appears on ECA 121 of the transcript.

In response to that question, I indicated that Screen Australia had committed to twenty-nine projects thus far in FY 2009-10.

I wish to advise that the correct number of projects was thirty-five.

Yours sincerely
