Dear Secretary,

Senate Estimates Hansard – 24 May 2004

I am enclosing the Hansard from senate estimates hearings held on 24 May 2004 with my corrections highlighted.

In relation to the questions themselves, I recall sending a speech of mine to the Sydney Institute to Mr Alan Jones in 1999. I am unable to locate any copy of the covering note. I also confirm that I corresponded with Mr Jones in a personal capacity about my book launch in 2003.

Yours sincerely,
David Flint
