Chair
Environment, Communications, Information Technology
and the Arts Legislation Committee
The Senate
Parliament House
CANBERRA ACT 2600

Dear Senator Eggleston

I refer to the Questions on Notice following the May Additional Estimates Hearing.

Question on Notice 151 from Senator Murray relates to advertising or public information programs undertaken by departments or agencies.

I have been advised by Senator Murray that he does not require that the Special Broadcasting Service respond to this question. For this reason, no response has been provided to QON 151

Senator Murray suggested that any further queries from the Committee in relation to this matter should be directed to him personally.

I trust that this satisfies the Committee's requirements.

Yours sincerely

Julie Eisenberg
Head of Policy
