

Ms Louise Gell  
Committee Secretary  
Senate Environment, Communications, Information  
Technology and the Arts Committee  
Parliament House  
CANBERRA ACT 2600

Dear Ms Gell

I refer to the hearing of the Environment, Communications, Information Technology and the Arts Legislation Committee held on 25 May 2005.

Following a review of the Hansard transcript of the hearing, I seek the following amendments to the Hansard transcript to correct typographical errors and a minor factual error in evidence given by me:

- i) Hansard page ECITA 3 – currently reads “Professor Peter Fricker, Director, Australian Sports Commission”, to be amended to “Professor Peter Fricker OAM, Director, Australian Institute of Sport”;
- ii) Hansard pages ECITA 109 and 113 – currently refer to “Louise Bourke”, whose name is spelt “Louise Burke”; and
- iii) Hansard page ECITA 128 – currently reads “Minter Ellison and Mallesons gave us advice on the sort of things that came out and the interpretation” to be amended to “Ernst & Young and Mallesons gave us advice on the sort of things that came out and the interpretation”.

I would be grateful if these amendments could be made to the Hansard record of the hearing.

Yours sincerely

Mark A Peters  
Chief Executive Officer
