Treasury Portfolio

Additional Estimates, 15 February 2006

Question: AT 3

Topic: *Modelling provided in the OECD brief*

Hansard Page: **E26**

Senator MURRAY asked:

Could you clarify for me: did you do modelling to support the information you provided for the OECD reports on Australia?

Mr Tune—In general?

Senator MURRAY—On the specific issue.

Mr Tune—No, we would not have. The OECD would form their own views about these issues.

Senator MURRAY—Treasury give a brief to the OECD.

Mr Tune—They discuss these things with us.

Senator MURRAY—Did modelling on this issue accompany that brief?

Mr Tune—I do not think so, no.

Senator MURRAY—You do not think so?

Mr Tune—No. I would need to check. I am pretty positive, but I will check for you.

Answer:

No.
