Response to question AI-128

Details of grants since 1 January 2002

Notes:

- 1) A small number of grants executed since 1 January 2002 have not been listed here due to confidentiality and disclosure provisions in the relevant legislation or grant agreement.
- 2) The Postcodes and State values are for the entity's head office, and the projects being funded will in some cases be located at a different physical address.
- 3) Three of the customers listed below do not have attached state or postcode information because they are individuals without an ABN, and the confidentiality and disclosure provisions of the relevant program do not permit the release of this address information.
