

# **Additional Estimates 2009–10**

## **Report to the Senate**

### **Introduction**

1.1 On 26 November 2009 the Senate referred to the committee for examination and report the following documents in relation to the Innovation, Industry, Science and Research; Resources, Energy and Tourism; and Treasury portfolios:

- Particulars of proposed additional expenditure in respect of the year ending on 30 June 2010 [Appropriation Bill (No. 3) 2009-10];
- Particulars of certain proposed additional expenditure in respect of the year ending on 30 June 2010 [Appropriation Bill (No. 4) 2009-10]; and
- Final Budget Outcome 2008-09.

### **Portfolio structures and outcomes**

1.2 The committee notes that no changes have been made to the portfolio structures and outcomes of the three portfolios since the 2009-10 Budget Estimates round.

1.3 The structures and outcomes for each of the portfolios are summarised in the appendices as indicated below:

- Treasury (Appendix 4);
- Innovation, Industry, Science and Research (Appendix 5) and
- Resources, Energy and Tourism (Appendix 6).

### **Questions on notice**

1.4 The committee draws the attention of all departments and agencies to the deadline of Thursday, 1 April 2010 for the receipt of answers to questions taken on notice from this round. As the committee is required to report before responses to questions are due, this report has been prepared without reference to any of these responses. The secretariat has prepared indices for questions taken on notice during and after the hearings and these will be made available on the following website: [http://www.aph.gov.au/Senate/committee/economics\\_ctte/estimates/index.htm](http://www.aph.gov.au/Senate/committee/economics_ctte/estimates/index.htm).

### **General comments**

1.5 The committee received evidence from Senator the Hon Nick Sherry, Assistant Treasurer; Senator the Hon Kim Carr, Minister for Innovation, Industry, Science and Research; Senator the Hon Penny Wong, Minister for Climate Change and Water and officers from the Innovation, Industry, Science and Research; Resources, Energy and Tourism; and Treasury portfolios.

1.6 The committee thanks the ministers and officers who attended the hearings for their assistance.

1.7 The committee conducted hearings on 10 and 11 February 2010. In total the committee met for 21 hours and 58 minutes, excluding breaks.

## Record of proceedings

1.8 This report does not attempt to analyse the evidence presented over the two days of hearings. However, it does include a brief list of the main issues that were traversed by the committee for all portfolios.

1.9 Copies of the Hansard transcripts are available on the internet at [http://www.aph.gov.au/hansard/senate/commttee/committee\\_transcript.asp?MODE=YEAR&ID=82&YEAR=2010](http://www.aph.gov.au/hansard/senate/commttee/committee_transcript.asp?MODE=YEAR&ID=82&YEAR=2010). Copies are also tabled with this report for the information of the Senate.

## Matters raised – Treasury portfolio

1.10 On 10 February 2010, the committee examined the estimates for the:

- Australian Competition and Consumer Commission (ACCC);
- Productivity Commission;
- Treasury – outcome 3: effective taxation and retirement income arrangements; and
- Australian Taxation Office (ATO);

1.11 On 11 February 2010, the committee examined the estimates for the:

- Treasury – outcome 1: sound macroeconomic environment;
