Topic: TRAVEL COSTS

Hansard Page: Written

Senator Bushby asked:

How much has your department and portfolio agencies spent on travel to date this financial year?

Answer:

This response is limited to the ATO and does not include information relating to the broader Treasury portfolio.

As at end February 2011 the ATO (including the Tax Practitioners Board and the Australian Valuation Office) has spent \$28.3 million on travel related costs including \$10.9 million on airfares. Apart from the cost of airfares other travel costs include accommodation costs, travel allowance payments and taxi fares.
