

Senate Standing Committee on Economics

ANSWERS TO QUESTIONS ON NOTICE

Treasury Portfolio

Additional Estimates

23 – 24 February 2011

Question: AET 140

Topic: Figures for other Minerals being included in the proposed tax

Hansard Page: E 28

Senator Brown asked:

Senator BOB BROWN—Is Treasury able to provide the committee with the figures for other minerals being included in the proposed tax—uranium, gold, nickel and so on?

Dr Henry—I do not believe we have done that work. I could be wrong. Again, I will take the question on notice and refer the question to the Treasurer.

Senator BOB BROWN—Thank you

Answer:

The MRRT only applies to iron ore and coal. Revenue estimates have not been undertaken for minerals that are not included in the MRRT.
