AGENCY/DEPARTMENT: DEPARTMENT OF INDUSTRY, INNOVATION, SCIENCE, RESEARCH AND TERTIARY EDUCATION

TOPIC: Clean Technology Program – MYEFO and PAES

REFERENCE: Written Question – Senator Bushby

QUESTION No.: AI - 137

On what page is the allocation for the Clean Technology Innovation program listed in MYEFO, and what page is it listed in PAES?

ANSWER

The allocation for the Clean Technology Innovation program is included in the ‘Clean Energy Future – Supporting Jobs – Clean Technology Program’ measure as disclosed on page 269 in MYEFO and in the measures table on page 21 in PAES.

The administered funding component of the Clean Technology Innovation program is separately identified on page 48 in PAES. The departmental funding associated with this program is disclosed as part of the ‘Clean Energy Future – Supporting Jobs – Clean Technology Program’ item on page 29 of PAES.
