QUESTION No.: AI-161

In January 2012, the Prime Minister made announcements about Federal Government funding for both the Adelaide Oval and Sydney Cricket Ground redevelopment projects. With what specific government rules and guidelines have the recipients of this funding been required to comply regarding the amount of local content they are using?

ANSWER

The Department of Regional Australia, Local Government, Arts and Sport is currently in negotiations with the New South Wales and South Australian State Governments regarding facilitation of the Commonwealth payments and application of either a Local Industry Participation Plan or an Australian Industry Participation Plan to the projects.
