Additional Estimates

15 February 2012

**Question:** AR2  
**Topic:** Global CCS Institute - Financial Report  
**Proof Hansard Page:** 96

**Senator Bushby asked:**

**Senator BUSHBY:** Very good. I might put on notice later and seek an update of some of the information that I sought earlier about what they have been spending on administration, travel and flights and so on. I will not worry about that here. I will chase that up later.

**Senator Chris Evans:** There is a financial report each year from the organisation.

**Ms Bennett:** That is made available to members, yes.

**Senator Chris Evans:** Is that a public document?

**Ms Bennett:** We would have to take that on notice.

**Senator Chris Evans:** It may be easier to give you the full report.

**Senator BUSHBY:** For your benefit, Minister you will hear that I have done it before I have asked some detailed questions.

**Senator Chris Evans:** I am just saying that if we are going to look at the report to give you the information, we may as well give you the report.

**Senator BUSHBY:** If you can, that would be great. Thank you.

**Answer:**
