Question: AET 367

Topic: Education Expenses (PC)

Hansard Page: Written

Senator BUSHBY asked:

367. For this financial year to date, detail all education expenses (i.e. in house courses and tertiary studies) for each portfolio department and agency. Include what type of course, the total cost, cost per participant, how many participants and the amount of study leave granted to each participant. Also include the reason for the study.

Answer:

For the financial year to 31 January 2012, the total training costs for the Productivity Commission were \$154,800 (ex GST). An attempt to provide the requested level of detail would involve an unreasonable diversion of office resources.
