Industry, Innovation, Science, Research and Tertiary Education Portfolio
Additional Estimates Hearing 2012-13
13 February 2013

AGENCY/DEPARTMENT: DEPARTMENT OF INDUSTRY, INNOVATION, SCIENCE, RESEARCH AND TERTIARY EDUCATION

TOPIC: Australian Research Committee – operation of the National Research Investment Plan

REFERENCE: Written Question – Senator Mason

QUESTION No.: AI-82

When will the “detailed plan” to be developed by the Australian Research Committee to harness enabling capability across the five key domains (as outlined in the National Research Investment Plan, page 63) be delivered?

ANSWER

The plan to develop enabling capability is due to be provided for Government consideration by the end of 2013.
