Budget Estimates, 1 to 4 June 2004

Question: Bud 32

Topic: Demographic Discussion Paper – List of Organisations

Hansard Page: E108

Senator Conroy asked:

Excellent, excellent. I want to talk about the process around the demographic discussion paper. I appreciate that consultations on the discussion paper are to be held throughout May and June. Will that process specifically seek the views of public finance practitioners?

Mr Tune—I would not say specifically. To the extent that they are able and willing to make submissions, we would certainly be interested in hearing from them.

Senator CONROY—Have you approached any of them yet?

Mr Tune—I would have to check. We sent a copy to a large number of people and a large number of organisations, some of whom were sort of in the economics area or demography area.

Senator CONROY—Is it possible to get a list of them? Is it a confidential list?

Mr Tune—I would not have thought so, no. I can take that on notice. I suspect that would be fine.
