

**QUESTION No.28**

(Hansard 30/05/05, p.E86)

**Senator Lundy** asked about:

Can you provide a full list of organisations that have been contacted by the Department for the purpose of consulting on the Australia-China FTA?

**ANSWER**

A list of organisations that accepted invitations to attend industry consultations on the Australia-China FTA process and Feasibility Study is provided in the **Attachment**.

DITR officers attended all consultations, however consultations were organised and chaired by the Department of Foreign Affairs and Trade (DFAT). DITR does not have access to the full list of all organisations contacted by DFAT for the purposes of inviting industry to consultations – this information would need to be sought direct from DFAT.
