ANSWERS TO QUESTIONS ON NOTICE

TREASURY

Australian Taxation Office

(Budget Estimates 30 May 2006)

Question **BET-160**
Topic: **TAX PACK CONTRACT**
Hansard Page: **E109(b)**

Senator **Sherry** asked:

Senator SHERRY—That is a side issue to this use of foreign paper. Is the *TaxPack* the biggest contract that the tax office has each year in terms of a printing job?

Mr Konza—*I would be speculating so I think it might be best if I take it on notice along with the cost information that you have already asked for.*

Answer:

The tax time printing services contract covers the printing of all tax time products. This contract calls for the printing of:

- the TaxPack suite of products (TaxPack, TaxPack Supplement, Retirees TaxPack, etc);
- publications referred to in TaxPack;
- instructions and return forms for other client groups (for example, companies, partnerships, etc);
- instructions and return forms supplied to tax agents; and
- some miscellaneous products.

In respect of printing jobs for the Tax Office, this is the largest contract.
