

**Senate Standing Committee on Economics**

**ANSWERS TO QUESTIONS ON NOTICE**

**Treasury Portfolio (ACCC)**

Budget Estimates, 22 June 2009

**Question: bet 180**

**Topic: Information Provided on GROCERYchoice**

**Hansard Page: E29**

**Senator Xenophon asked:**

**Senator XENOPHON**—Are you aware of any complaints about the correctness of information on that website? Have there been issues about incorrect information on that website because of the information that has been fed to Choice in relation to the prices given?

**Mr Cassidy**—Do you mean since Choice has been—

**Senator XENOPHON**—Yes.

**Mr Cassidy**—We do not have any knowledge of that.

**Senator Sherry**—I recollect similar, if not the same, questions to Treasury. We will take those questions on notice and make sure that the appropriate Treasury officials receive them.

**Answer:**

Choice has advised that there were no complaints received by Choice about the accuracy of information on the Grocerychoice website.
