

Senate Standing Committee on Economics
ANSWERS TO QUESTIONS ON NOTICE
Innovation, Industry, Science and Research Portfolio
Budget Estimates Hearing 2010-11
31 May 2010

AGENCY/DEPARTMENT: COMMONWEALTH SCIENTIFIC AND INDUSTRIAL RESEARCH ORGANISATION

TOPIC: Nanotechnology

REFERENCE: Written Question –Senator Eggleston

QUESTION No.: BI-49

Has there been any change in the level of study in nanotechnology? Has the CSIRO considered introducing or expanding its own research in that area? (*The Australian* on 17/2/2010)

ANSWER

No.

CSIRO has not introduced new, or expanded existing research in that area.
