**TOPIC:** Food Processing Industry Strategy Group

**REFERENCE:** Question on Notice (Hansard, 30 May 2011, E102)

**QUESTION No.:** BI-38

**Senator COLBECK:** I want to ask a quick question on the food processing industry strategy group. How many times has it met since it was started? I know you might not have departmental officers around for this since it was launched, I think, at the Food and Grocery Council dinner in November last year.

**Senator Carr:** We will have to take it on notice. I thought this matter had been dealt with.

**ANSWER**

The Food Processing Industry Strategy Group has met twice. The next meeting is on 15 August 2011.
