

## Senate Standing Committee on Economics

### ANSWERS TO QUESTIONS ON NOTICE

Treasury Portfolio

Supplementary Budget Estimates

19 – 20 October 2011

Question No: 115

Topic: Salary costs – up to ELs

Hansard Page: Thursday 20 October 2011, Page 22 and 23

SenatorCormann asked:

Senator CORMANN: You agreed to take on notice the question on salary costs. You asked whether I was looking for average salary rather than bands. How hard would it be to get both?

Dr Parkinson: The bands are public.

Senator CORMANN: If you could put them against each other that would be good.

Dr Parkinson: The reason I asked the question is the bands are public and we can have that up here for you for 11.15.

Senator CORMANN: It would be useful to have the average salary per position against the band information that is public.

Dr Parkinson: We will get that for you.

Mr Donelly: If it is of any use, I have the bands—

Senator CORMANN: I would rather have the information that was put on notice, where the bands and the salary averages are next to each other.

Dr Parkinson: We will do that for you.
