

## **Senate Standing Committee on Economics**

### **ANSWERS TO QUESTIONS ON NOTICE**

#### **Treasury Portfolio**

#### **Supplementary Budget Estimates**

**20 October 2011**

**Question No:** SBT 26

**Topic:** Efficiency dividend

**Hansard Page:** Written

**Senator Bushby asked:**

How has the efficiency dividend been implemented?

**Answer:**

The ATO has not made any specific changes to its budget management in order to implement the Government's efficiency dividend. Rather, the ATO employs a range of strategies to assist in its overall budget management each year, which includes managing the effect of the Government's increased efficiency dividend.
