Program 2: Energy related initiatives and management	Clean Energy Initiatives - Australian Centre for Renewable Energy	Licella Pty Ltd	Undertake commercial demonstration of Lignocelluloses to (unique) stable bio-crude. <b>This Agreement has been transferred to the Australian Renewable Energy Agency, please refer to <a href="http://www.arena.gov.au">www.arena.gov.au</a></b>	2,516,800.00	22/12/2009	1/12/2011	Somersby, NSW
Program 2: Energy related initiatives and management	Asia-Pacific Partnership on Clean Development and Climate	University of Newcastle	Asia-Pacific Partnership on Clean Development and Climate Project; Oxy-fuel Combustion Program and Working Group	506,000.00	21/08/2008	31/12/2011	Callahan, NSW

Program Title	Program Component	Recipient	Purpose	Value	Approval date	Grant Term	Grant Funding Location
Program 2: Energy related initiatives and management	Clean Energy Initiatives - Australian Centre for Renewable Energy	Microbiogen Pty Ltd	Second Generation Biorefinery conversion of sugarcane bagasse into fuel and feed. <b>This Agreement has been transferred to the Australian Renewable Energy Agency, please refer to <a href="http://www.arena.gov.au">www.arena.gov.au</a></b>	2,792,900.00	13/11/2009	31/12/2011	Lane Cove, NSW
Program 3: Tourism related initiatives and management	One Off	World Tourism Organisation	United Nations World Tourism Organisation (UNWTO) Australian membership Jan to June 2010.	325,806.00	11/11/2010	31/12/2011	Madrid, SPAIN
Program 2: Energy related initiatives and management	One Off	Organisation for Economic Co-operation Development (OECD)	Contribution to the secretariat of the International Partnership for Energy Efficiency Co-operation (IPEEC) within the International Energy Agency.	200,000.00	3/08/2010	31/12/2011	Paris, France
Program 3: Tourism related initiatives and management	One Off	Organisation for Economic Co-operation Development (OECD)	Contribution to the Organisation for Economic Co-operation Development (OECD)	20,107.24	29/11/2010	31/12/2011	Paris, FRANCE
Program 2: Energy related initiatives and management	Asia-Pacific Partnership on Clean Development and Climate	Geoscience Australia.	Asia-Pacific Partnership on Clean Development and Climate Project; The China Australia Geological Storage of CO2	3,146,000.00	1/06/2009	31/01/2012	Brisbane, QLD
Program 3: Tourism related initiatives and management	TQUAL Grants	Melbourne Underwater World Pty Ltd	Construction & fit out of a shipwreck exhibit at Melbourne Aquarium. Using the latest technology & conservation practices, the project will separate the 2.2 million litre Oceanarium into two different areas, allowing the opportunity to exhibit new aquaria	100,000.00	24/10/2011	6/02/2012	Melbourne, VIC

Program Title	Program Component	Recipient	Purpose	Value	Approval date	Grant Term	Grant Funding Location
Program 3: Tourism related initiatives and management	TQUAL Grants	Shire of Coorow	Development of a Tourism Development Plan and delivery of a community survey and workshop for the Wildflower Country, Western Australia. The key aspect of the project is the five year tourism development plan which will identify methods for the consortium to develop the Wildflower Country tourism routes to link regional destinations and support industry growth and prosperity.	22,350.00	24/10/2011	29/02/2012	Coorow, WA
Program 2: Energy related initiatives and management	Australian Centre for Renewable Energy	International Renewable Energy Agency	Contribution to the International Renewable Energy Agency	410,842.15	6/03/2012	6/03/2012	Abu Dhabi, Abu Dhabi
Program 2: Energy related initiatives and management	Asia-Pacific Partnership on Clean Development and Climate	Commonwealth Scientific and Industrial Research Organisation (CSIRO)	Asia-Pacific Partnership on Clean Development and Climate project; Assessing Post-Combustion Capture for Coal Fired Power Stations in Asia-Pacific Partnership countries	8,800,000.00	23/11/2007	27/03/2012	Perth, WA
Program 2: Energy related initiatives and management	Asia-Pacific Partnership on Clean Development and Climate	Commonwealth Scientific and Industrial Research Organisation (CSIRO)	Asia-Pacific Partnership on Clean Development and Climate Project; Carbon Dioxide Enhanced Coal Bed Methane	3,190,000.00	19/06/2008	27/03/2012	North Ryde, NSW
Program 1: Resource related initiatives and management	National Low Emission Coal Initiatives	Geoscience Australia	Funding in relation to the CSIRO/CERI scoping study which informs the development of a pre-feasibility study for post combustion capture	44,000.00	16/12/2011	31/03/2012	Canberra, ACT
Program 3: Tourism related initiatives and management	TQUAL Grants	Acacia Motor Lodge	Relocate & refurbish the 40" telescope from Siding Spring Observatory to "Milroy" west of Coonabarabran in NSW. This project will establish a new observatory providing astronomy tourists with amateur's access to the largest publicly accessible telescope	110,000.00	12/10/2011	13/04/2012	Coonabarabran, NSW

Program Title	Program Component	Recipient	Purpose	Value	Approval date	Grant Term	Grant Funding Location
Program 1: Resource related initiatives and management	Clean Energy Initiatives - National Low Emission Coal Initiatives	Department of Primary Industries	Sponsorship in relation to hosting the Second International Symposium on Sustainable Use of Low Rank Coal held in Victoria in April 2012.	5,500.00	19/01/2012	20/04/2012	Melbourne, VIC
Program 3: Tourism related initiatives and management	TQUAL Grants	The Trustee for Livingstone Family Trust t/a Harcourt Valley Vineyards	Construction of a kitchen and new tasting area at Harcourt Valley Vineyards. This infrastructure will also allow catering for functions, weddings and events. A kitchen focusing on regional foods will encourage people to come to our region as currently there is a lack of such infrastructure in the local area	62,072.00	5/10/2011	4/05/2012	Harcourt, VIC
Program 3: Tourism related initiatives and management	TQUAL Grants	Djabugay Tribal Aboriginal Corporation	Project will establish walking tracks & a small indigenous village in a rainforest area adjacent to Sky rail Cableway that is part of the Traditional Lands of the Djabugay People.	17,500.00	13/12/2011	14/05/2012	Kuranda, Qld
Program 2: Energy related initiatives and management	Clean Energy Initiatives - Australian Centre for Renewable Energy	Wizard Power	Advanced Electricity Storage Technologies grant	7,427,767.00	1/09/2007	30/05/2012	Canberra, ACT
Program 2: Energy related initiatives and management	Asia-Pacific Partnership on Clean Development and Climate	Commonwealth Scientific and Industrial Research Organisation (CSIRO)	Asia-Pacific Partnership on Clean Development and Climate Project; Solar Cooling for Urban and Remote Rural Applications	824,450.00	25/11/2008	30/05/2012	Newcastle, NSW
Program 3: Tourism related initiatives and management	TQUAL Grants	City of Cockburn	Feasibility study to consider the need and viability for an Aboriginal Cultural and Visitors Centre in Cockburn, Western Australia. This project will also consult with stakeholders regarding a preferred site and viable operational models.	15,000.00	5/10/2011	30/05/2012	Perth, WA

Program Title	Program Component	Recipient	Purpose	Value	Approval date	Grant Term	Grant Funding Location
Program 2: Energy related initiatives and management	Asia-Pacific Partnership on Clean Development and Climate	Commonwealth Scientific and Industrial Research Organisation (CSIRO)	Asia-Pacific Partnership on Clean Development and Climate Project; Thick Coal Seam Extraction	1,100,000.00	22/02/2008	31/05/2012	Kenmore, QLD
Program 2: Energy related initiatives and management	Asia-Pacific Partnership on Clean Development and Climate	Commonwealth Scientific and Industrial Research Organisation (CSIRO)	Asia-Pacific Partnership on Clean Development and Climate Project Integrated Coal Production and Methane Extraction	2,420,000.00	22/02/2008	31/05/2012	Kenmore, QLD
Program 2: Energy related initiatives and management	Clean Energy Initiatives - Australian Centre for Renewable Energy	Curtin University of Technology	Sustainable production of high quality second generation transport fuels from Mallee biomass by pyrolysis and biorefinery.	2,750,000.00	28/09/2009	31/05/2012	Perth, WA
Program 2: Energy related initiatives and management	Clean Energy Initiatives - Australian Centre for Renewable Energy	Bureau of Sugar Experiment Stations Limited	Developing an optimised and sustainable sugarcane biomass input system for the production of second generation Biofuels. <b>This Agreement has been transferred to the Australian Renewable Energy Agency, please refer to <a href="http://www.arena.gov.au">www.arena.gov.au</a></b>	1,458,600.00	14/01/2010	31/05/2012	Indooroopilly, QLD
Program 2: Energy related initiatives and management	Clean Energy Initiatives - Australian Centre for Renewable Energy	Algal Fuels Consortium.	Developing an optimised and sustainable sugarcane biomass input system for the product of second generation Biofuels.	2,996,400.00	4/02/2010	31/05/2012	Adelaide, SA
Program 2: Energy related initiatives and management	Clean Energy Initiatives - Australian Centre for Renewable Energy	University of Melbourne	Undertake a project for the efficient separation, processing and utilisation of algal biomass. <b>This Agreement has been transferred to the Australian Renewable Energy Agency, please refer to <a href="http://www.arena.gov.au">www.arena.gov.au</a></b>	1,364,000.00	18/02/2010	31/05/2012	Parkville, VIC

Program Title	Program Component	Recipient	Purpose	Value	Approval date	Grant Term	Grant Funding Location
Program 3: Tourism related initiatives and management	TQUAL Grants	The Wicked Cheese Company Pty Ltd	Provision for construction of a cheesery and local produce tasting house in historic Richmond in the surrounding Hobart region. The facility will comprise of maturing and making/demonstration rooms, a tasting area for cheese and other local produce.	110,000.00	7/10/2011	13/06/2012	Richmond, TAS
Program 3: Tourism related initiatives and management	TQUAL Grants	The Australian Sugar Industry Museum Inc	Construction of an interpretative centre inside the Australian Sugar Industry Museum at Mourilyan, Cassowary Coast Area of QLD. This project will allow the establishment of a interpretative centre that will provide information about growing sugar cane	16,500.00	15/11/2011	13/06/2012	Mourilyan, Qld
Program 3: Tourism related initiatives and management	TQUAL Grants	Nuriootpa Vine Inn Hotel Motel Ltd	Refurbishment of 18 rooms at the community owned Vine Inn (Vine Court Barossa). A direct outcome will be development of improved corporate packages and local experiential tours in conjunction with other local attraction providers e.g. wineries & sporting events.	110,000.00	23/09/2011	14/06/2012	Nuriootpa, SA
Program 3: Tourism related initiatives and management	TQUAL Grants	d'Arenberg Pty Ltd	Development of interactive displays at d'Arenberg in South Australia's Barossa region. Through this interface, visitors will be able to have a simulated tasting with a winemaker and also a wine blending experience.	62,485.94	12/10/2011	14/06/2012	McLaren Vale, SA
Program 2: Energy related initiatives and management	Asia-Pacific Partnership on Clean Development and Climate	Commonwealth Scientific and Industrial Research Organisation (CSIRO)	Asia-Pacific Partnership on Clean Development and Climate Project Coal Mines Fires Prevention and Control Technologies	1,540,000.00	13/08/2008	20/06/2012	Kenmore, QLD
Program 3: Tourism related initiatives and management	TQUAL Grants	The trustee for Catpet Property Development Trust t/a Tranquilles	Expansion of kitchen facilities offering at Tranquilles Bed & Breakfast in Tasmania's NW region. This project will enable cooking classes with fresh local produce, run by local chefs & culinary weekends to be offered to visitors.	27,078.00	14/07/2012	27/06/2012	Port Sorell, Tas

Program Title	Program Component	Recipient	Purpose	Value	Approval date	Grant Term	Grant Funding Location
Program 2: Energy related initiatives and management	Clean Energy Initiatives - Australian Centre for Renewable Energy	Smart Storage Pty Ltd t/a Ecoult	Advanced Electricity Storage Technologies	2,007,984.00	15/04/2009	30/06/2012	HAMPTON, NSW
Program 2: Energy related initiatives and management	Clean Energy Initiatives - Australian Centre for Renewable Energy	Clean Energy Council	Funding to support the administration of the Renewable Energy and Energy Efficiency Partnership (REEEP), South East Asia & Pacific Regional Secretariat for the period January 2010 to June 2011.	605,000.00	15/12/2009	30/06/2012	Melbourne, VIC
Program 1: Resource related initiatives and management	Clean Energy Initiatives - National Low Emission Coal Initiatives	University of New South Wales	Funding Research - National Low Emission Coal Initiatives	1,100,000.00	20/09/2010	30/06/2012	Sydney, NSW
Program 2: Energy related initiatives and management	Clean Energy Initiatives - Australian Centre for Renewable Energy	GRE Geothermal WA 1 Pty Ltd	Grant funding under Round 2 of the Geothermal Drilling Program (GDP) to prove the recoverability of useable geothermal energy within a deep sedimentary basin, and particularly the Perth metropolitan area.	7,700,000.00	23/09/2010	30/06/2012	West Perth, WA
Program 1: Resource related initiatives and management	Clean Energy Initiatives - National Low Emission Coal Initiatives	University of New South Wales	Funding research proposals under the NLECI	321,933.00	14/10/2010	30/06/2012	Sydney, NSW
Program 1: Resource related initiatives and management	Clean Energy Initiatives - National Low Emission Coal Initiatives	Brown Coal Business Research Australia Pty Ltd	Pre-Feasibility study to demonstrate the use of a 200 tonnes per day dry basis coal gasification technology (ECOPRO)	2,200,000.00	22/12/2010	30/06/2012	Sydney, NSW
Program 1: Resource related initiatives and management	Clean Energy Initiatives - National Low Emission Coal Initiatives	University of Queensland	The aim of the project is to develop and demonstrate (at laboratory scale) a coal fuelled zero carbon dioxide emissions power generation system based on chemical looping gasification that also has high plant efficiency.	599,137.00	22/12/2010	30/06/2012	Brisbane, QLD

Program Title	Program Component	Recipient	Purpose	Value	Approval date	Grant Term	Grant Funding Location
Program 1: Resource related initiatives and management	One Off	Environment Protection Authority	Maralinga Nuclear Test Site Hand back Deed includes al payment to the Environment Protection Authority South Australia in respect of Registered Premises annual charge.	43,092.00	16/03/2011	30/06/2012	Adelaide, SA
Program 3: Tourism related initiatives and management	TQUAL Grants	WAITOC Association Incorporated	Feasibility Study into the design and establishment of an Indigenous Tourism Accreditation module for potential implementation within the National Tourism Accreditation Framework (NTAF).	16,500.00	31/08/2011	30/06/2012	Perth, WA
Program 3: Tourism related initiatives and management	TQUAL Grants	Katoomba Scenic Railway Pty Ltd	Engagement of an art and sculpture industry installation team for 'Sculpture At Scenic World' in the Blue Mountains. 'Sculpture At Scenic World' will attract new visitors; encourage extended stays and re-visitation to the region.	46,800.00	24/10/2011	30/06/2012	Katoomba, NSW
Program 3: Tourism related initiatives and management	TQUAL Grants	WAITOC Association Inc.	Feasibility study of demand for Indigenous cultural experiences and product by the Perth tourism industry and future connection between the owners of Aboriginal experiences and products with the Perth region tourism industry.	16,500.00	31/10/2011	30/06/2012	West Perth, WA
Program 2: Energy related initiatives and management	One Off	International Centre for Environmental Technology Transfer	Financial contribution to the Climate Technology Initiative (CTI) Common Fund for the year 2012, in accordance with Article 6 of the signed International Energy Agency Implementing Agreement for CTI.	20,223.81	23/11/2011	30/06/2012	London UK
Program 3: Tourism related initiatives and management	One Off	OECD	Voluntary contribution of financial support of the Organisation for Economic Co-operation and Development (OECD) Tourism Committee Programme of work & budget for 2012	19,674.00	15/12/2011	30/06/2012	Paris, France

<b>Program Title</b>	<b>Program Component</b>	<b>Recipient</b>	<b>Purpose</b>	<b>Value</b>	<b>Approval date</b>	<b>Grant Term</b>	<b>Grant Funding Location</b>
Program 3: Tourism related initiatives and management	One Off	World Tourism Organisation	United Nations World Tourism Organisation (UNWTO) Australian membership January to June 2012	154,000.00	1/01/2012	30/06/2012	Madrid, Spain

## ATTACHMENT C

## Australian Renewable Energy Agency's Grant Recipients this Financial Year to Date.

Recipient	Amount paid to 31 October 2012 (GST exclusive) \$'000	Intended Use	Locations Benefited
CS Energy Limited	2,967	The CS Energy Kogan Creek Solar Boost project will demonstrate the use of solar thermal energy to provide a 44 megawatt boost to the Kogan Creek A coal-fired power station in Chinchilla, Qld.	Chinchilla (QLD)
BlueScope Steel Limited	149	BlueScope Steel will develop low cost building integrated photovoltaic (BIPV) and BIPV-thermal systems for mass deployment on Australian residential and commercial/industrial rooftops.	Port Kembla, with prototype installations in QLD, VIC and NSW
Geodynamics Limited	8,000	Geodynamics will build a 25 megawatt Engineered Geothermal System demonstration power station in the Cooper Basin in SA.	Cooper Basin (SA)
National ICT Australia Ltd	100	The project is to develop software to improve the process of exploration, discovery and characterisation of geothermal targets.	Sydney (NSW)
Carnegie Wave Energy Ltd	249	The Perth Wave Energy Project will provide the demonstration and verification of a pilot scale grid connected CETO wave energy facility with initial power supplied to the grid in 2013.	Garden Island (WA)
Oceanlinx Limited	383	Oceanlinx's 1 megawatt Commercial Wave Energy Demonstrator Project aims to demonstrate Oceanlinx's shallow water technology—greenWAVE.	Port MacDonnell (SA)
BioPower Systems Pty Ltd	544	The bioWAVE Ocean Pilot at Port Fairy project aims to demonstrate BioPower's 250 kilowatt bioWAVE unit. The project will run out to 2015, which includes a two year operational testing period.	Port Fairy (VIC)
Southern Cross Renewable Energy Fund	1,647	The Southern Cross Renewable Energy Fund will make equity investments in early-stage Australian renewable energy companies to help them overcome capital constraints, develop technologies, increase skills and forge international connections. Softbank China Venture Capital will match the Australian Government's \$100 million investment up front and dollar for dollar.	Sydney, Australia; Silicon Valley, USA; SBCVC's offices in Shanghai
Qantas Airways Ltd	25	The feasibility study will look at the conditions under which the sustainable manufacture of alternative aviation fuel can be achieved in Australia.	Multiple Sites
Almond Board of Australia	16	The study will assess the technical and economic feasibility for bioenergy generation from almond waste.	VIC and SA
Bureau of Sugar Experiment Stations Ltd	172	Develop an optimised and sustainable sugarcane biomass input system for production of Gen2 biofuel.	Indooroopilly (QLD)
Curtin University of Technology	400	Sustainable production of transport fuels from mallee bio-mass by pyrolysis and bio-refinery.	Perth (WA)
Licella Pty Ltd	294	Commercial demonstration of lignocellulosics to (unique) stable bio-crude oil.	Somersby (NSW)
Waratah Power Pty Ltd	94	The Waratah Power study aims to provide Australian developers of small-scale hydropower technologies and projects with a more detailed understanding of the impacts from turbines on Australian native fish species.	North Bondi and various sites across NSW
Australian Solar Institute	11,000	Proactively foster and support excellent research and development in Australia to accelerate commercial deployment of photovoltaic and concentrating solar power technologies	Multiple Sites
Geoscience Australia	355	Provision of Spatial Information for Solar Resource Mapping Relating to High Solar Prospectivity Regions and Expansion of the Solar Observation Network	Multiple Sites
	<b>26,394</b>

## Australian Solar Institutes's Grant Recipients for both 2011-12 and 2012-13 Financial Years

	Grant recipient	Solar research subject	Grant amount
3-A003	Vast Solar	Validation of performance modelling for 1.2MWth solar array with high temperature receiver	\$437,243
3-A004	RayGen Resources	Central Receiver CPV Pilot Project – Stage 2	\$1,750,000
3-A006	CSIRO	Evaluation and demonstration of hybridisation of CST with carbon capture and storage	\$667,500
3-A009	CAT Projects	Analysis of variations in instantaneous weather effects across the geographic boundaries	\$242,625
3-A010	Solar Systems	High-Efficiency Multi-Junction Solar Cells on Low-Cost Large-Area Silicon	\$2,000,000
3-A012	CSIRO	Hybrid CST Systems for Large Scale Applications	\$520,011
3-A013	Chromasun	Lowest LCOE: Australian pilot of rooftop CST and CPV-T micro concentrator systems	\$3,461,677
3-A017	Granite Power	Solar Supercritical Organic Rankine Cycle for Power Generation and Industrial Heat	\$770,000
3-A018	CSIRO	Solar Hybrid Fuels	\$1,585,853
3-A019	Barbara Hardy Institute	Development of high temperature phase change storage systems and test facility.	\$689,500
3-A020	CSIRO	Solar Energy Management (SEM) System for Utilities	\$225,715
1-GER001	University of Melbourne	Enhancing Efficiencies in Printed Solar Cells by Controlling Morphology Development	\$500,000
1-GER003	University of New South Wales	Si nanocrystals embedded in silicon oxide and nitride as nanoscale heterojunction for thin film solar cells	\$500,000
1-GER005	Blue Scope Steel	Expanding the Value Proposition for Building Integrated Photovoltaics (BIPV)	\$477,320
1-GER006	Australian National University	Local doping using Laser Chemical Processing (LCP) technology for advanced silicon solar cells	\$352,365
1-GER010	University of New South Wales	Time- and spectrally resolved Photoluminescence for Silicon Solar Cell Characterisation	\$490,166
1-UFA001	University of New South Wales	Cost-effective GaAsP top solar cell grown on a high performance, low cost silicon solar cell	\$2,480,000
1-UFA002	University of New South Wales	Multi-Junction c-Si Solar Cells Based on Virtual Ge Substrates	\$1,265,000
1-UFA003	University of New South Wales	Towards a practical Hot Carrier Solar Cell	\$2,278,343
1-UFA004	CSIRO	Solar-driven Supercritical CO2 Brayton Cycle	\$2,496,835
1-UFA005	CSIRO	Improving translation models for predicting the energy yield of photovoltaic power systems	\$1,318,722
1-UFA006	ANU	Improved High-Temperature Receivers for Dish Concentrators	\$1,436,210
1-UFA007	CSIRO	Integrated Solar Radiation Data Sources over Australia	\$712,581
1-USO006	CSIRO	Australian Solar Energy Forecasting System (ASEFS)– Phase 1	\$3,089,000
1-USO012	Australian National University	Machine-learning-based forecasting of distributed solar energy production	\$799,522
1-USO016	University of New South Wales	Commercial viability of Anodic Aluminium Oxide Surface Passivation for Silicon Solar Cells	\$569,000
1-USO018	Brisbane Materials Technology Pty Ltd	A pilot-scale plant for the production of solar anti-reflection (AR) coatings	\$1,262,000
1-USO028	University of New South Wales	Low-cost, high-efficiency Copper-Zinc-Tin-Sulphide (CZTS) on silicon multi-junction solar cells	\$1,511,828

<b>1-USO031</b>	<b>CSIRO</b>	Optimisation of central receivers for advanced power cycles	<b>\$1,150,879</b>
<b>1-USO032</b>	<b>CSIRO</b>	Plug and Play Solar Power8/11/2012 Simplifying the Integration of Solar Energy in Hybrid Applications	<b>\$1,292,725</b>
<b>1-USO033</b>	<b>CSIRO</b>	Development of Combined Cycle using solar reformed gas in North Western Australia	<b>\$351,453</b>
<b>1-USO034</b>	<b>University of New South Wales</b>	Tools for design and scale up of solar thermo-chemical reactors	<b>\$1,083,320</b>
<b>1-SRI003</b>	<b>RMIT University</b>	Micro-urban solar integrated concentrators	<b>\$4,521,191</b>
	<b>Power &amp; Water Corp.</b>	Daly River Load Optimisation	<b>\$500,000</b>
<b>1'USO022</b>	<b>Australian Photovoltaics Association</b>	Climate based PV Module Rating Scheme	<b>\$268,320</b>
	<b>Australian Photovoltaics Association</b>	Active Participation in Distributed Energy Market	<b>\$173,550</b>
	<b>Australian Photovoltaics Association</b>	Development of an Australian Solar Map	<b>\$246,098</b>
	<b>AUSTELA</b>	Improving accessibility of System Advisor Model	<b>\$95,700</b>
	<b>Ipsos Institute</b>	Social License to Operate Large Scale Solar	<b>\$153,388</b>
	<b>Monica Oliphant Research</b>	Community owned solar	<b>\$15,000</b>
