Supplementary Budget Estimates Hearing 2013-14
21 November 2013

AGENCY/DEPARTMENT: COMMONWEALTH SCIENTIFIC AND INDUSTRIAL RESEARCH ORGANISATION (CSIRO)

TOPIC: Recruitment Freeze sites

REFERENCE: Question on Notice (Hansard, 21 November 2013, pages 27-28)

QUESTION No.: SI-2

Senator KIM CARR: That is good. Which CSIRO sites will be affected and how?

Dr Clark: We will provide that information on notice.

ANSWER

Because CSIRO is assessing term and casual completions on a rolling basis (see answer to SI-1) we are not able to definitively predict the impacts of these arrangements on a particular site.
