AGENCY/DEPARTMENT: DEPARTMENT OF INDUSTRY

TOPIC: Clean Technology Programs

REFERENCE: Written Question – Senator Carr

QUESTION NO.: SI-75

What date was the notice put on the AusIndustry website that the Clean Technology programs would be discontinued? Was the Department directed to put up this notice, and if so by who?

ANSWER

On 18 September 2013, AusIndustry published information on its website noting the Government's election commitment to discontinue the Programs. The Department was not directed to put up this notice.

On 11 November 2013, AusIndustry published further information on its website about the Program closure arrangements. The Department was not directed to put up this notice.
