SENATE LEGISLATION COMMITTEE – QUESTIONS ON NOTICE 2003-2004 ADDITIONAL ESTIMATES HEARING

Outcome: 1
Output Group: ARC

DEST Question No. E702_04

Senator Carr asked on 18 February 2004, EWRE Hansard p. 30.

Question:

Perhaps you can help me to short circuit all of this. Can you provide me with a list of staff that have been employed in the communications area of the ARC since December 2002? I would be interested to know the commencement dates and finishing dates of employees, and obviously the level of the officers? It strikes me that you are spending a fair bit of money in the communications area, and a high turnover of staff cannot help you with corporate knowledge of what has gone on before. Would you agree, Professor Sara, that it would be helpful to have a few people stick around for a while in this area?

Answer:

Staff in the communications area of the ARC

The ARC has provided the following response:

From 16 July 2003, the Communications area of the ARC reports to the Director, Executive and External Relations. It includes, from 1 July 2003, the ARC's web-management function and, from 12 February 2004, the ARC's intranet support function. The details of staff employed within the ARC's Communications area since December 2002 are:
