Question:

Could you please ask the WA Department of Training the name of the person who undertook the inspection of the CSTC and who can vouch for the fact that the training has occurred as per the proposal.

Answer:

CSTC

ANTA has provided the following response.

Paul Albert, Director General of the WA Department of Training wrote to ANTA on 31 October 2003 stating that 'the CSTC has a good record in delivering training to WA's building and construction industry.'

The CSTC has also provided ANTA with copies of their annual report for 1998, 1999 and 2002 which also identify the training that is taking place at the Centre.

ANTA has not asked the WA Department the name of the person who can vouch for the training that is taking place at the Centre given the response from the Director General.
