**Question Number: W366-04**

**Question:**

Senator Webber asked at *Hansard* page 9:

What is the outcome rate for people who have accessed their training accounts?

**Answer:**

Results from the Post Program Monitoring Survey show that the positive outcomes rate (including employment and further study) for Training Accounts for the year ending June 2003 was 37.0 percent. The Training Account provides assistance to Indigenous and mature aged job seekers, many of whom face significant employment barriers.
