2004-2005 ADDITIONAL ESTIMATES HEARING**

Outcome: ANSTO
Output Group: ANSTO

DEST Question No. E522_05

Senator Crossin asked on 16 February 2005, EWRE Hansard page 58.

Refers to DEST Question No. E729_05 & E731_05

Question:

This question might be more appropriate for ANSTO but I want to know whether your department had any role in providing advice on the current trial shipment of uranium from Roxby in South Australia to the port of Darwin via the rail. That would be more ANSTO's role.

Did you play any role at all in providing advice about the movement of uranium?

The safety and risk assessments involved?

Answer:

ANSTO provided the following response.
