### SENATE LEGISLATION COMMITTEE - QUESTIONS ON NOTICE 2004-2005 ADDITIONAL ESTIMATES HEARING

**Outcome:** 2

**Output Group:** 2.4 – Funding for Higher Education

#### **DEST Question No. E543\_05**

Senator Carr asked on 16 February 2005, EWRE Hansard page 122.

#### **Question:**

Can we have copies of those submissions (made to the review)?

#### **Answer:**

##### *Review of Indexation*

The Australian Vice-Chancellors' Committee was the only organisation invited to make a submission to the review.

The Group of Eight forwarded an unsolicited copy of their position paper on the indexation of university grants to the Department of Education, Science and Training. A copy of their submission is attached. It is also available online at <http://www.go8.edu.au/policy/previous.htm>

The Department did not receive any other submissions from the sector. The National Tertiary Education Industry Union wrote to the Minister for Education, Science and Training on 17 December 2004 in relation to the review of indexation arrangements for higher education funding. This does not purport to be a submission and is not identified as a submission on their website.
