### SENATE LEGISLATION COMMITTEE - QUESTIONS ON NOTICE 2004-2005 ADDITIONAL ESTIMATES HEARING

**Outcome:** All

**Output Group:** All

#### **DEST Question No. E546\_05**

Senator Carr provided in writing.

#### **Question:**

Please provide a list of all DEST/DETYA contracts let to universities or university units or individual staff members since 2000, with details of dates of payment and dates of publication of reports. Please indicate, and provide details of, cases where additional funding, above and beyond the amount originally contracted, was made available, and the reasons for this. Please indicate where this additional funding has taken the total cost of the contract into a different category for the purposes of the DEST contract guidelines (eg over a limit where a project has to go to tender, or to open tender).

Please provide a separate listing of all contracts, as above, that have gone to the University of New England, units within that University or staff of that University since 2000.

#### **Answer:**

*Contracts let to the University of New England*

The list of contracts let to the University of New England is at Attachment A. The list of contracts let to all universities or university units is at Attachment B.

The Department does not have records of instances where an individual engaged to provide services is also a staff member of a University.
