In cumulative terms, how many staff have resigned or otherwise left this office in the past three years?

#### **Answer:**

CSIRO has provided the following response.

#### *Communications Staff Resignations*

In the past 3 years (January 2002 until 30 February 2005) 17 staff have resigned from the Communications Group. A further 8 staff have completed their contracts with CSIRO, 4 reached age retirement, 1 member of staff's employment was terminated and another took a redundancy. We have also had 10 staff members who have transferred to other areas of CSIRO to take up other opportunities (i.e. Communication roles in Divisions, etc).

In addition to the above, our response to E846\_05 highlighted an additional 10 staff who during this time have remained employed within the Corporate Communications Group.
