Question:

Senator Wong asked at *Hansard* page 89: Can the department provide details of what proportions of \$365 million is spent on the various components of administering Job Network?

Answer:

Details of this revision are reported in the Portfolio Additional Estimates Statements 2004-05 at pages 11 and 22.

The Job Network administered appropriation is a single line of funding. The \$365 million revision to the administered appropriation is an estimate and is not allocated to sub-components within Job Network.
