Question:

When the advice was provided, what was the nature of the advice provided by DEST— just compliance and non-compliance?

Did DEST see a copy of the AWAs before they were offered to university staff?

Answer:

University of Ballarat AWAs

The advice provided indicated that the AWA templates should be tailored to the individual when offered. We advised that there were no significant issues with respect to the templates being consistent with the HEWRRs.

DEST saw the AWA templates in mid-December 2005.
