Answer:

SES Funding Arrangements

From 1 January 2005, funding for all non-government schools are under the SES funding arrangements.

In 2006, under these arrangements;

- 1446 or 54.1% of non-government schools were already on their SES score.
- 47 or 1.8% were funding guaranteed and progressing towards their SES score over the course of the quadrennium.
- 1178 or 44.1% have their funding maintained under these arrangements.

Any newly commencing school will be funded on it's SES score.
