

Job seeker circumstances tab – 17/12/04

The new Job Seeker Circumstances tab combines the functionality of the Change of Circumstances and JSCI tabs, allowing Job Network members to view all aspects of the JSCI (summary of current JSCI and supplementary assessments, current responses and JSCI history). For the JSCI to function effectively, it is important job seeker's details are kept up to date. Updating a job seeker's details through this new tab may assist him/her to gain early access to. Isca, resulting in higher outcome payments, Job Seeker Training Account credits, and contributing to star ratings.

For more information, including a job aid and user guides, visit the EA3000 Learning Centre.
