**Question Number: W730-06**

**Question:**

Senator Marshall asked in writing:

For each order of more than 50 WorkChoices booklets made via phone or electronically, please provide the name/business name and address (as far as possible, state will do) for the person/organisation who ordered the booklets, the date they were ordered and dispatched and the number ordered/dispatched.

**Answer:**

It would be inappropriate to make public the names of individuals, businesses or organisations who ordered booklets, particularly as orders were made on the assumption that these details would remain confidential.
