Question Number: W731-06

Question:

Senator Marshall asked in writing in regard to QON W635-06: – In relation to answer (a), would the department please provide the names of the individuals from each of the areas concerned in the answer?

Answer:

The ABCC Working Group was comprised of:

- the following Senior Executive Service (SES) officers – then Group Manager of the Workplace Relations Implementation Group, Mr Craig Symon as Chair, and the Assistant Secretary of the Building Industry Branch, Mr Leigh Quealy; and
- non-SES staff from the Building Industry Taskforce, Workplace Relations Implementation Group, Financial Management Group, Corporate Group and IT Services Group. It is the department's practice not to individually identify non-SES officers in response to Senate Estimates questions.
