Outcome: CSIRO
Output Group: CSIRO

DEST Question No. E769_07

Senator Carr provided in writing.

Question:

Global Research Alliance

What projects are specifically designated as GRA projects within CSIRO? What is their current status? How successful are they?

Answer:

CSIRO has provided the following response.

Global Research Alliance

Currently CSIRO are involved in two GRA projects:

- i) "Kalpasar scope of work for an environmental impact and social impact study"
This is at the stage where GRA have been short listed for the study.
- ii) "Pacific Islands Water Vulnerability to Climate Change"
This is about to commence its phase 2 consultation with a forum of representatives from Pacific Islands, GRA and Agencies.
