#### **Question:**

Grants Allocated

With regard to all grants allocated by the department from 1 January 2002, could a table detailing the following information be provided:

1. The name of the grant program
2. The name of the grant recipient
3. The ABN of the grant recipient (where available)
4. The amount awarded
5. The date the grant was awarded
6. The state of the grant recipient
7. The postcode of the grant recipient

#### **Answer:**

*Grants Allocated*

The Department of Education, Science and Training provides approximately \$16 billion in grants on an annual basis under approximately 50 individual programmes. These grants are made to over ten thousand individual grantees.

Based on the number of years, the number of programmes under which grants are awarded and the potential number of grantees, it would be a significant diversion of resources to compile and verify the data required to answer the question.

The answer to E414\_07 provides a description and objective of the various programmes administered by the Department.
