Question Number: **W1075-07**

Question:

Senator Wong asked in writing:

In the last six months, how many job seekers achieved only a 13 week outcome?

Answer:

Refer to response to question W1074-07 with regard to the number of job seekers who received a 13 week outcome in the last six months. DEWR is unable to provide a figure on job seekers who only received a 13 week outcome during this period as some job seekers, who obtained a 13 week outcome in the latter half of this period, had insufficient time to achieve 26 weeks outcomes by 31 January 2007.

Estimated cost: Using the FOI calculator, to prepare this answer it has taken approximately 3.5 hours at an estimated cost of \$70.
