

## EDUCATION, EMPLOYMENT AND WORKPLACE RELATIONS

### SENATE LEGISLATION COMMITTEE - QUESTIONS ON NOTICE 2007-08 ADDITIONAL ESTIMATES HEARING

**Outcome** 3

#### **DEEWR Question No. EW70\_08**

Senator Wortley provided in writing.

#### **Question**

FEE-HELP and Private Providers

Please provide a table showing the following:

For all private providers with course eligible for FEE-HELP, information providing:

1. The courses for which FEE-HELP is available;
2. The date(s) on which the courses were approved;
3. Tuition fees for each relevant course immediately prior to or on the date approval was granted; and
4. Tuition fees for each relevant course in each year subsequent to approval being granted, as applicable.

#### **Answer**

1. A list of higher education providers (HEPs) approved under the *Higher Education Support Act 2003* (HESA) (ie excluding providers listed on Tables A, B and C of HESA) and the courses for which they are able to offer FEE-HELP to their eligible students (as at 17 March 2008) is provided at **Attachment A**.
2. State and Territory government accreditation agencies are responsible for approving the accreditation of the courses that non-self accrediting higher education institutions deliver. A list of HEPs and their date of approval under HESA and the courses that the HEPs proposed to offer at the time of their approval is provided at **Attachment B**.
3. & 4. Current year information is available on the websites of the relevant provider, although information from past years may not be available. It would be an unreasonable diversion of resources for the department to separately provide all of the past year schedules for each of the providers listed at Attachment B.
