123. Grants for capital expenditure may be used for the following:

- a) investigation of the need for schools, rural student hostels, buildings, parts of buildings, other facilities or equipment;
- b) the purchase of land, with buildings or parts of buildings, or in special circumstances, without buildings;
- c) the planning, erection, alteration, extension, demolition (including asbestos removal) or refurbishment of a building, part of a building or other facility including student residential accommodation, and attached supervisors' quarters;
- d) the development or preparation of land for building or other purposes;
- e) the installation or upgrading of water, electricity or any other services;
- f) the provision of furniture or equipment, including information technology equipment, which should be part of a broader capital project unless special circumstances exist;
- g) the provision of library materials and the goods for cataloguing a library; or
- h) the payment to a block grant authority for its administrative expenses.
