DEEWR Question No. EW1019_09

Senator Bernardi provided in writing.

Question

National Mental Health and Disability Employment Strategy

1. The Strategy is now due to be finalised this year. Has a specific date been set for the finalisation of the strategy?

Answer

The strategy is under further development after extensive consultations with stakeholders. A number of significant elements of the strategy have been determined including a new model for the delivery of DEN/VRS that will result in places in the program being uncapped.
