DEEWR Question No. EW1176_09

Senator Cash asked on 26 February 2009, DEWR Hansard page 45:

Question

Job Network – Average duration on caseload to employment.

“What is the average duration of a person on the Job Network case load to gain employment?”

Answer

The Department of Education, Employment and Workplace Relations does not calculate the average duration of job seekers on the Job Network case load prior to gaining employment and it is not possible to do so without an unreasonable diversion of resources.
